## **PRESS RELEASE**

St. Clair County

Location – I-55 Northbound at the I-55/64/70 interchange

The Illinois Department of Transportation today announced that a left lane closure should be expected on I-55 northbound at the I-55/64/70 interchange weekdays between the hours of 6:00 AM and 2:30 PM beginning Monday, April 3, 2017, weather permitting. This work is necessary to perform maintenance on flood prevention devices and is expected to be completed by mid-May of this year.

Traffic delays may be encountered so motorists are encouraged to utilize alternate routes. Traffic control devices will be utilized to assist motorists making their way through the work zone. The Department asks that motorists be patient, reduce speed, obey all warning signs and allow extra time when traveling through the work zone.

The General Contractor on this project is Layne Christensen Company of Fenton, Missouri. Mr. Joel Cumby is the Supervising Field Engineer for the Illinois Department of Transportation. If you have any questions concerning this project, you may contact him at (618) 346-3351.
